

FRIDAY 29th NOVEMBER 2019
INSTITUTE OF CHILD HEALTH, LONDON

WELCOME to the second BSGCT Early Career Development and Collaboration meeting. This event has been designed to aid the career development of ECRs by providing advice on scientific and fellowship writing as well as an insight into different career options. We hope you find this event useful, please use it to network and develop collaborations throughout the day and at the drinks reception.

We hope to continue running these events, so please let us know your feedback and if there is anything you would like to see at our next event. If you haven't not already joined the BSGCT, please come and find us today! It's FREE for undergraduate and masters students and only £15 for postgraduates!

Alexander Baker (Cardiff University)
